**ONE MILLIONTH TELEPHONE FOR FLORIDA!**

**February 2 Marks New Milestone in Communications Progress**

Southern Bell proudly joins hands with Florida's 22 other telephone companies in commemorating the State's one millionth telephone, installed February 2 by the Southeastern Telephone Company in the Governor's office in Tallahassee, Florida.

In late 1924, there were only 107,000 telephones serving Florida citizens. This number reached the one half million mark 24 years later—by the end of 1948. This half million figure was doubled in a little more than six years.

We of the telephone industry are proud to be partners in progress with Florida's development.

these children in paths of uprightness and godliness. Mrs. Alice Meyers, County Study Group Chairman, introduced members of the Council who in turn presented a plan dealing with various phases of P.T.A. organization and procedure, as outlined in the Manual.

**Girls Club Outing**  
Thirteen members to the Old Girls Club had a freer of ice cream and went to the lake for an outing during the Thursday afternoon. The chairman for this meeting was Helen Monahan.

**Osceola PTA Meeting**  
Tuesday night, February 8th, thirteen members of the Osceola Parent Teachers Association met in regular meeting. During the business meeting the following acknowledgments were made: Thanks to Mrs. G. A. MacMillan for taking the 4-H members to the County meeting; to Hap Griggs for the use of the truck for the trip; to Jim Peterson for his work with the 4-H Boys in shop work and for substituting for Mr. Griggs at a recent meeting; to the Nursery for the use of the shop for the Study Group meeting.

The need for reference books for use by Osceola school children was discussed. The Visual Education Program made possible by the projector has caused curiosity about many things, and the children need books for research and further study. Much enthusiasm was expressed by the group over the possibility of the PTA buying a set of encyclopedias for the school. A committee was appointed to begin plans for a Book Sale raise money toward

the books. During the program part of the evening reports for preparing economical displays were exchanged and the group was excited about preparing an Osceola cookbook.

**Crafts Teacher Here**

**By Lonnie Rifer**  
Jimmy Dees was elected president of the sixth grade this week. Other officers elected were Tommy Mann, vice-president, and June Stanley, secretary.

The president appointed the following committee chairman: Cleanup, Ann Redmond and Ensign Brown; flowers, Carl Lance and Charles Thomas; reporter, Lonnie Rifer; Librarian, Barbara Sheffield and Bobbie Reynolds; closet, Willis Mullis and Kenny Alsop; first aid, Willis Thomas; song leader, James Wade and Jessie Fancher; and the boys, the boys.

The school is profiting from the use of our projector. Through the use of visual education films we are taking many interesting trips to farms, factories and far away places.

The third grade is putting in writing some of the ideas gained from the films. Originally torpedo tubes on Navy destroyers were mounted in the bottom. Now they are mounted in a battery which can be trained so that the whole ship need not be turned toward the target.

**Rounding The Turn**  
"They're rounding the turn!" Anyone familiar with the Sport of Kings (racing) can tell you that this is one of the most exciting cries to be heard in the stands. It means that the horses have come to the half-way mark and are making the turn into the straight-away that leads into the home stretch. This is what has happened in the public schools of our country; we've rounded the turn and are now in position to evaluate the work thus far accomplished and plan more thoroughly for the final achievement of our year's objectives.

It has been an interesting and significant year for us at East Lake. Our new one-room addition with modern conveniences was ready for occupancy when we returned from our vacation. It has become a source of pride and happiness to our school and community. We are doing a better job at the classroom level with these additional conveniences and equipment. For the first time in many recent years our students are not crowded and cramped for space; our teachers not overtaxed with excessively large classes. This is progress.

**First Grade Assembly Stress "Courtesy"**  
The first assembly program of 1955 was presented by the pupils of Miss Little Mae White's first grade on last Thursday afternoon. The theme of the program was Courtesy. As pupils entered the assembly room they were given large paper Master Keys marked "Your Courtesy Key." Upon opening these "keys" they were found to be programs, a product of the art work in the class. Clever idea, huh? The presentation was most appropriate and enjoyable, especially when one remembers that these were first grade children—many of them appearing on a stage for the very first time. Special mention goes to two little girls called "The Reason Why" and "Thinking of Others." They were so good, with such clever surprise endings that we may use them in our Revue, and by the way...

**First Aid Classes End**  
The American Red Cross sponsored a class in First Aid held at our school during the past few weeks. Fifteen teachers from schools in this end of the county were registered. We are proud to announce that five of our faculty members are now holders of the Standard Certificate and thereby qualified to administer first aid in any emergency which might arise in our school center. East Lake teachers receiving the certificate were Misses Betty P. Speaks, Little Mae White, Mrs. Mary J. Sneed, and Messrs. Willie U. Walker and Spurgeon Herring. Congratulations to them!

**Rosewald Elementary Presents Minstrel**

Pupils of Rosewald School in South Bay presented their "DARKTOWN JAMBOREE", a minstrel show, before a packed house in our assembly room last Thursday night. An excellent performance, it provided the audience with many laughs and much enjoyment. It would be hard to single out any one performer; all were good. We thank Mrs. C. M. McCurdy and Mr. G. Singleton for sharing with us, will, cash and efforts to assist "Darktown Jamboree" with us.

**PTA SHOWERS CLINIC**

Few in numbers, our PTA has been very active this year. As a major project this organization decided to furnish and equip our new clinic room. Last Tuesday night they sponsored a Clinic Shower to complete the project. Despite one of the coldest nights of the year, the shower was quite a success. Our new clinic is completed with a new bed, bedside table, several complete sets of linen, plastic mattress cover, liquid soap and metal chrome soap dispenser, step-on disposal can, chrome towel bar, hospital screen and desk set for our school nurse. According to Miss Plummer, R.N., our clinic is one of the most convenient setups in this area. Our hats are off to the PTA and their energetic president, Mrs. Pauline Stokes. This has been a good job and well done. Come in and look our clinic over. See what mutual agreement and cooperative effort can do. Next regular meeting night will be on Tuesday, February 15th at 8:00 p.m. Refreshments will be served.

**Hi School News**  
 Hi School Band  
 The Belle Glade High School  
 Frances Sloan

Band was nicely represented at the sight-reading band clinic, held in Moore Haven, last Friday afternoon. The clinic was made up of approximately 75

members of the class CC bands from the following schools: Moore Haven, Pahokee, Belle Glade, Punta Gorda, Venice, Lake Placid, and Belle Glade. Each director was asked to select some of his best players to represent their band at the clinic. Those selected from Belle Glade were: Yvonne McGraw, on the cornet; Dick Dupere, on the trombone; Neil Livingston, playing the snare drum; Donna Mae Armstrong, clarinet; Ned Nikolovski, clarinet; and Frances Sloan, bass clarinet. Also Jeanette Buss who played the only bassoon in the clinic band. The local band members left at 11:30 and returned about 8:30 that evening. They had lunch in Clewiston.

The clinic band, supposedly made up of the best players from each of these individual bands, sight-read all new music. Most of it had never been seen by any of these students.

The directors of the various schools took turns directing any numbers they choose, and they

made a great number of suggestions to the band as well as to the individual players. Some of the numbers they sight-read were: "The Ballet Paraisian," "The Call of England," "Lock Invar Overture," "Prelude and Fugue in D Minor," and "Pieces of Eight."

After about an hour and half of playing, the band took a twenty minute break and were served refreshments of sandwiches, potato chips, and Cokes.

**Rainbow News**  
 The Order of the Rainbow for Girls is sponsoring a Rainbow Contest which will begin on Monday, February 14th, and will last three weeks. Each girl has a box and it costs a penny to vote. At the end of three weeks, the girl with the most money in her box is the winner. The girl elected by the seniors was Barbara Graber. The Juniors chose Marybelle Schlechter, the Sophomores, Alma Ann McClure, and the Freshmen, Ouida Lanier.

The Rainbow is sponsoring a rummage sale, which will be held at Royal's parking lot, on Saturday, February 12. The sale begins at 9:00 a. m. and Marybelle Schlechter has been appointed chairman.

**Student Council**  
 The Student Council members had a meeting on Tuesday, February 8.

They decided that the committee, of which it took only one to keep a student off the honor roll before, will have to be signed by two teachers now. Instead of one. Also those comments of which it previously took two teachers signatures to keep one off the honor roll, will now require four signatures.

For the purpose of making money for the school, the Student Council members are planning to sell Cokes at the basketball games. They are also planning to sell stationary, wedding announcements, playing cards, thank-you notes and all kinds of cards. So when you need anything of this sort, remember the Student Council. Key Young is in charge of this project.

Students belonging to this organization will soon have Student Council pins to signify their club.

**Lamb's Defeated**  
 Friday, February 4, the Belle Glade 1-A boys basketball team, won their first game in the World's Junior basketball league, in Belle Glade. Jake Perkins, the Lamb's high point man, played only three quarters, with a total of 11 points. He made one basket in the second quarter, four in the third quarter, and one completed foul. Fifteen points were made by Tadlock Lake Worth's high jumper, who played all four quarters. Tadlock scored one basket, three fouls, in the first quarter, and the second quarter, one in the third, and two in the fourth.

Lake Worth took the lead right away, scoring seven points in the first quarter, and making for time out. They kept their lead throughout the first half, with a total of fourteen points, against the Lamb's seven. The Lamb's, however, made seven points to Lake Worth's sixteen, in the third quarter. Belle Glade scored four, and Lake Worth eighteen in the last quarter, making a final score of forty-eight, Lake Worth to thirty-eight, Belle Glade.

**Kids Day**  
 Don't think your eyes were playing tricks on you, if you saw a bunch of grown kids dressed up like first-graders, on Tuesday. That was the day, established as annual "Kids Day" for the seniors. The girls all came to school with short skirts, and hair ribbons, carrying dolls and teddy bears, and you can bet the cameras were flashing. The boys were all cowboys, dressed in a variety of short and long pants, but all carrying water pistols. The seniors had lunch at the park with many delicious things to eat, but the main dish of course was fried chicken.

Last year there were 33 horses nominated for Hialeah's inaugural. This time the race drew 52 entries.

### Local Minister On Crusade In Cuba

The Rev. H. Edward Garrett, pastor of the Community Methodist Church in one of 150 Methodist ministers and laymen of 400 states who left Miami Feb. 10 for Cuba to conduct a 15-day evangelistic crusade.

His selection was announced by Methodist Bishop John Brancome, Jacksonville, Fla., whose episcopal area includes the Republic of Cuba. He said several ministers are being accompanied by their wives, and that the women will take part in the mission.

Bishop Brancome will direct the crusade, assisted by Dr. J. J. J. Denman, Nashville, Tenn., executive secretary of the Methodist Board of Evangelism. The Methodist Board of Missions, New York, is also sponsoring the special "Cuba for Christ" campaign.

The American evangelists will team with Cuban pastors to preach in churches, schools, hospitals and mission stations, and conduct an intensive house-to-house visitation throughout the 100-mile long island.

The group will reassemble Feb. 17 in Havana to report results and hold a mass "victory rally."

### Flag Blessed For Use In Church

Last Sunday morning Father John Clarence Petrie blessed the American flag which was used in the burial services for the late Captain Charles Seabrook of the U. S. Coast Guard.

The flag was given to Capt. Seabrook's widow who knew of the deep affection between her late husband and the Belle Glade church.

The flag was presented in church by Capt. Seabrook's son-in-law, G. E. Averill of Belle Glade, himself a wartime member of the Coast Guard.

### Prayer

Read Acts 10:34-43.

(God) hath made of one blood all nations of men for to dwell on all the face of the earth. (Acts 17:26.)

In Havana, Cuba, near the capitol building stands a symbol of Brotherhood. It is the "Place of American Fraternity," a central spot in a park area.

Surrounded by a low bronze fence is a plot of soil in which grows a single calceola tree. The soil is a mixture of earth brought from all the Pan-American nations. Mingled with the soil mixture are hopes and dreams. The thriving tree is stalwart and healthy.

Real brotherhood grows in life where the best men of every nation sink fertile lives to develop such growth. The tree of American Fraternity did not spring up by accident. It was planted there by design, aided by work and good will.

It seems that the Day of Pentecost with a single note with a single voice, when those men of all nations met with a purpose and a oneness of design, they were drawn together by a holy plan, and a new brotherhood in Christ developed.

Dear Lord, so guide our thoughts, acts, and plans that we may plant trees of good will and brotherhood. Help us this day to enrich the soil of their growth through dedication of our lives in consecrated service. In the name of Christ, who teaches us to pray, "Our Father who art in heaven..." Amen.

THOUGHT FOR THE DAY  
 Christ is the heart of Christian brotherhood.  
 Amos L. Boren (Indiana)
